## Upcoming Speakers - Licensing Bylaw

Our next meeting is **Tuesday, February 12th at 7:00 pm**. We have several staff members from the city of Peterborough that will be providing an update on Peterborough's Licensing Bylaw. In attendance this time will be:

- **Ken Hetherington**
- **Alan Barber**
- **John Kennedy**
- **Jody Drumm**

Please plan to attend. It will be a very informative meeting.

Our meetings are held the 2nd Tuesday of each month from September to May at 7 pm at 450 Lansdowne Street East in the basement of the Free Methodist Church.

### Our Meeting January 8th

We met in the chancellery at the church due to repairs being completed in the lower level. It was rather unusual but it worked out quite well. About 20 members attended and we had two great speakers.

**Brianna Salmon Executive Director of Greenup Peterborough** was excellent. Among other topics she explained their Home Energy Conservation Program and the incentives available. It was interesting to note Greenup has been in Peterborough for 27 years. Over that time they have been in 40% of all the homes, 100% of all the schools and 550 plus businesses. Their impact on our environment has been substantial.

#### **Dave Smith MPP**

We were very happy to have our MPP attend our meeting and speak to our group as well. Dave is a past member of PLA & as a landlord is aware of our challenges. He is very hopeful the PC party is going to take some positive action to help landlords very soon.
