Member Portal

Contact Kate, Kristi or Don for our member only password. Their email addresses are in the “**Contact**” dropdown. The member portal is only available to paid members.

This portal has four sections, namely:

- **Forms & Documents**
- **Links**
- **Presentations**
- **Resources**

Take the time to review each of these headings. There is an abundance of information there that could well be of use to you. Make special note of “**Presentations**”. The power point presentations of our last four meetings are loaded there. If you missed the meetings you can read the speaker’s presentations or you may just wish to review them as a reminder. Having a link to these power point presentations is a great feature - a result of our having to meet on Zoom during Covid.

Home Page

Reminds you of the benefits of being a member & the cost to join. Please encourage other landlords to join. Our membership application is available for download in the “**Membership Application**” link.

Member Services

Included here are the **business cards** of PLA members and others that service our members. By clicking on a person’s card you will reach their website if they have one.

Meetings

Meetings are published ahead for the season from September to June. Times, speakers and format are all included.

Newsletters

By clicking on the “**Newsletter**” heading, an option for “**Newsletter Archives**” will drop down. This will allow access to the oldest newsletters dating back as far as August of 2017. Also, the most recent newsletters are available on the right side of the screen, dating from October 2019.

**PLEASE TAKE THE TIME TO STUDY
