Another Successful Season for PLA

We have now completed 2020/2021. It has been a very successful season for PLA. We have over 50 members and converted to a Zoom format successfully. We will dispense with our year-end social this year due to Covid but look forward to the resumption of normal times this September.

Dont' forget to pay your dues early for our next season. The cost will remain at \$75/year if you pay before our first meeting and \$100/year if you pay after that.

Planning for Our 2021/2022 Season

We do not know yet whether our meetings will be in-person or by Zoom. But either way we are prepared. Our president Kate Kidd is researching a new facility for in-person meetings when they occur. We will keep you posted on our progress.

In the meantime, we have scheduled 4 great speakers as follows for the first 4 months of our new season. These 4 speakers represent one of the best line-ups we have ever had. We will start to work on the remaining 5 speakers for 2021/2022 in the next few weeks.

- September 14th Sullivan Law Ptbo, Martha Sullivan
- October 12th Landlord Credit Bureau, Grant Burwash MBA VP Business Development
- November 9th Naborly, Intelligent Tenant Screening, Dylan Lenz Founder & CEO
