Our member portal is password protected. If you need the password please contact Kate Kidd at [katekidd@royalpage.ca](mailto:katekidd@royalpage.ca)

The portal is full of valuable information for you under 4 headings, namely:

- **Links**
- **Resources**
- **Presentations**
- **Forms & Documents**

The newest section is **Presentations** where we will post all the power point presentations from our Zoom meetings. We have already posted MPAC & HOM Drafting & Design for your review.

### Zoom Virtual Meetings

Let us know if you need a brief tutorial to help navigate through a Zoom meeting. Once you have experienced one presentation you will find Zoom a tool you can manage readily. It is certainly an excellent resource given Covid restrictions. Participants are requested to leave the Video on if they are comfortable with that. We also suggest members leave their Mute option off unless they wish to speak, to minimize background noise.

Our second virtual meeting went very well. Clinton Edwards, owner of HOM Drafting & Design did an excellent job. Members asked lots of questions and used the CHAT option frequently.

**You can view Clinton's full power point presentation in the Members portal under the heading "Presentations".**

Clinton's contact information has been included in the event any members need to be in touch with him. Thanks to Clinton for his time and effort and a job well done.

### Upcoming Speakers for the Next Three Months

Our meetings are held the second Tuesday of each month and start at 7:00 PM.

**Until further notice all meetings will be virtual given Covid restrictions.** Our goal is to return to in person meetings as soon as permitted.

#### The Next Three Speakers will be:

- Brad Appleby, Planner, City of Peterborough - January 12, 2021
- Greg Maitinsky, Go Beyond Collections - February 9, 2021
- John West, Grant Thornton LLP, Accounting & Advisory - March 9, 2021
