Our meetings are held the 2nd Tuesday of each month from September to May at **7 PM** at 450 Lansdowne Street East in the basement of the Free Methodist Church.

Our meeting October 9th was excellent.

Dave Whitehouse, Vice-President, Customer & Corporate Services for Peterborough Utilities Group & **Cathy Mitchell**, Conservation Technical Coordinator presented to our group. There were over 20 in attendance with lots of questions asked and answered.

Dave talked about the pending change when landlords will be responsible for water and sewer charges. The new rules will come into force in the not too distant future.

Cathy spoke about Peterborough Utilities Energy Saving Programs. Our members showed a great deal of interest in what is available to them. All in all it was a very informative meeting where members participated fully.
