**Our Meeting Oct. 8th**

We featured our panel of member experts at the meeting that consisted of

- Anita Bongers-Lewis
- Atul Swarup
- Bob Williams

The evening was moderated by Don Knowles. Thanks to the knowledge and expertise of our panel the evening went very well. The over 25 members in attendance filled the time with questions and answers from the panel. Everyone enjoyed the evening and said this format should be repeated each year. On behalf of everyone we want to say a big "Thank You" to our panelists.
