### Our Website

[www.peterboroughlandlordsassociation.com](http://www.peterboroughlandlordsassociation.com)

We urge you to take the time to review our website in detail.

**There are 7 main dropdowns each containing lots of valuable information for you, namely:**

- Home
- Member Services
- Membership Application
- Meetings
- Newsletter
- Contact
- Member Portal

The member portal requires a password to access items from 4 different headings, namely:  
[Forms & Documents](#), [Resources](#), [Links & Presentations](#).

You can view old newsletters and the power point presentation from our most recent speaker, Marc Laurin has already been downloaded under Presentations on our website.

### Zoom Virtual Meetings

Let us know if you need a brief tutorial to help navigate through a Zoom meeting. Once you have experienced one presentation you will find Zoom a tool you can manage readily. It is certainly an excellent resource given Covid restrictions, and imagine the benefit of being able to meet virtually rather than going out on a cold winter evening!

Our very first virtual presentation went well. We had 18 members participate. Our goal is to find out why more members did not attend so we can improve attendance. We learned lots of lessons for future Zoom meetings.

**Marc Laurin made an excellent presentation on MPAC** and we hope to have him return when the next Rules of Assessment are published in 2021.

**You can view Marc's full power point presentation in the Members portal under the heading "Presentations".**
